Akorbi Becomes the Fastest-Growing Language Services Provider in the World *Company Jumped from #19 to #12 in the U.S. and from #80 to #47 Globally*

PLANO, Texas – Sept. 29, 2015 – Akorbi, a worldwide leader in multilingual business solutions, has become the fastest-growing language services vendor in the world by growing 75% from 2014-2105. Overall, the company is the 12th largest provider of language services in the U.S. and 47th largest globally according to independent market research firm Common Sense Advisory's "Language Services Market: 2015" report. In this state-of-the-industry analysis, which is an annual review of the translation, localization and interpreting services and technology industries, Akorbi took a significant leap from its 2014 rankings which were #19 and #80 respectively. Akorbi was one of only 14 U.S.-based companies in the Top 50 in the ranking of 100 companies worldwide.

According to Azam Mirza, President of Akorbi, "Our growth can be credited to our on-going commitment to provide leading world-wide companies with customized, flexible and extensive multilingual solutions and services, including multilingual contact center support from strategic locations around the globe."

For more than 12 years, Akorbi has been providing multilingual services to government agencies and some of the largest companies in the world, including Google, Aetna, Anthem, Blue Cross Blue Shield, Leigh Hanson, ADT, and Tyco, among many others.

The company provides a wide range of services in more than 170 languages, including: professional and multilingual staffing for global companies, translation, interpretation, multilingual contact centers, business process outsourcing, localization, transcription, e-Learning and deployment of benefit enrollers.
